## CETACIANS

We congratulate this outstanding Senior Class for providing the leadership that made 1978/79 another banner year in Palisades High School's illustrious history. The Cetacians Class has demonstrated excellence in every phase of school life. It is our sincere hope that the three years at Palisades have been rewarding for each of you. Your Class certainly met the goal of providing leadership to this student body during the last school year.

Now I would like to challenge each one of you to take advantage of the skills acquired and put them to good use in whatever endeavor you may chose to follow in the years ahead. It is true that you face a complex and sometimes frustrating society, but never before in history has there been such excellent opportunities and need for leadership and accomplishments.

The very best of luck to each and every member of the Class of 1979.

James A. Mercer  
Principal

Merle W. Power  
Assistant Principal

Adversity engenders maturity. The tragic fire that swept through the Palisades this past year brought out heroic action by many of our students. These students had no thought but that of giving aid when homes were threatened. The future is bright for those who rise to adversity and conquer it even as this experiential education leads to further maturation.

Congratulations Cetacians on your accomplishments of past years. Best wishes for happiness and success in future years.

Merle W. Power

To the Cetaceans:

Your class has the distinction of being first in Pali's quest for "Quality Education through Human Awareness." As a result of your heightened Human Awareness, I urge you to say "yes" to life and swing wide the door to adventure and discovery. Say "yes" to new people, new ideas, new methods and concepts that help create a better world for us and others.

When you say "no" make the right use of wisdom and good judgement. Accept responsibility, assume the initiative and blaze new trails. Our good thoughts, high expectations and fond memories go with you as you leave Palisades High School.

Sincerely,  
Thomasina A. Pleasant

Thomasina Pleasant  
Assistant Principal

I wish to extend hearty congratulations to the members of the Class of 1979 for their splendid record of achievement and leadership in and out of the classroom. Some members of the class go on to higher education — for them I wish continued success; some will go directly into business or industry — for them I wish success, pleasure, and satisfaction in the pursuit of their work.

May each of you have a happy and prosperous future and many fond memories of your high school days.

# DEDICATION

Each year the Surf staff picks one of Pali's fine teachers to dedicate the yearbook to. This year we have chosen Mrs. Judy Wexler for her fine standard of teaching even in the face of tragedy. Despite the loss of her home in the October '78 fire followed a few weeks later by the tragic death of her husband, she has continued to provide her students the highest standard of teaching.

Mrs. Wexler is a native Californian and attended UCLA where she received her Bachelor and Masters degrees in Science. Before coming to Pali 15 years ago, she taught at two L.A. junior high schools. In the future Mrs. Wexler plans on rebuilding her house and doing some traveling.

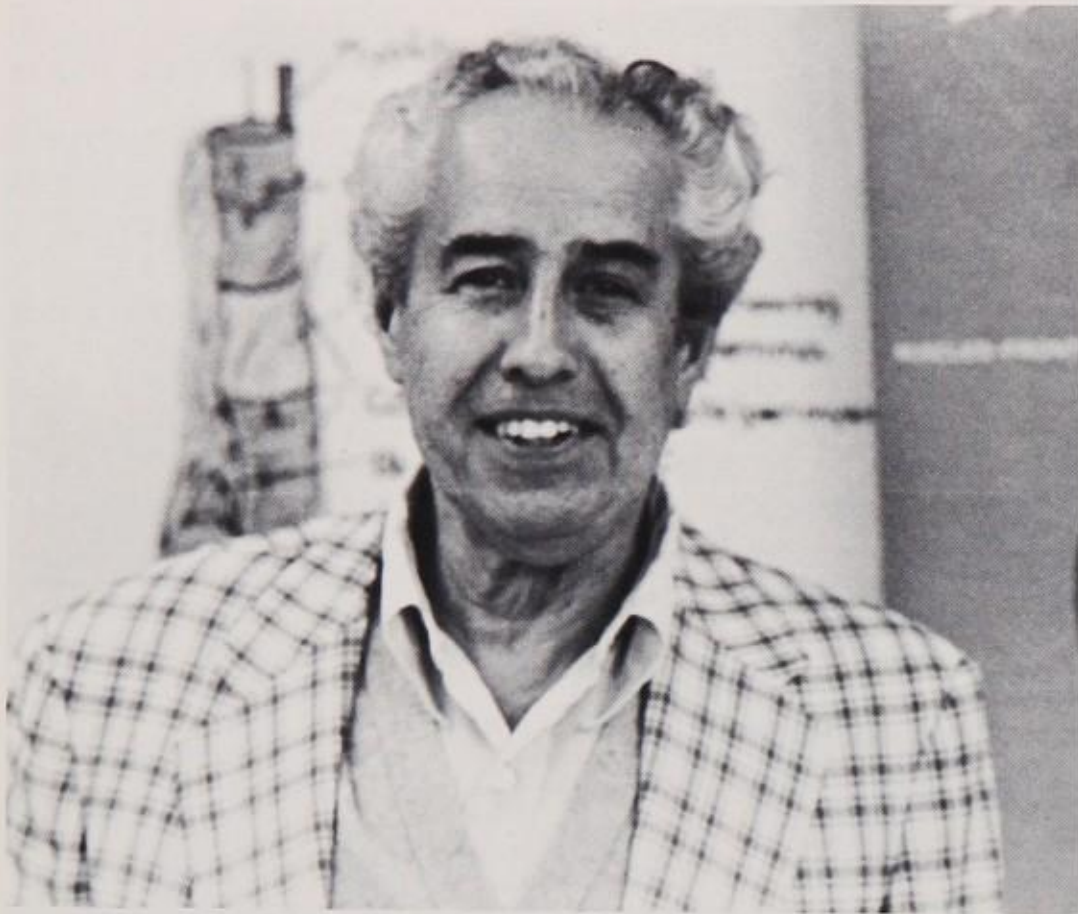

It is with gratitude that we dedicate the 1979 Surf to Mrs. Judy Wexler for her perseverance and continued positiveness both in and out of the classroom. We wish her the best of luck in the years to come.

*Until Forever*

Our memories are for us.  
No soul can enter.  
Touch our blossomed past.  
The moments,  
Each holding a secret truth;  
Unfolding,  
Teaching.  
We have grown.  
Penetrated one another.  
Never knowing,

Even coming near  
To the dependence  
The haunting truth  
That scares  
Without us  
What is one?  
Alone we have little,  
Perhaps nothing . . .  
Together,  
We are whole

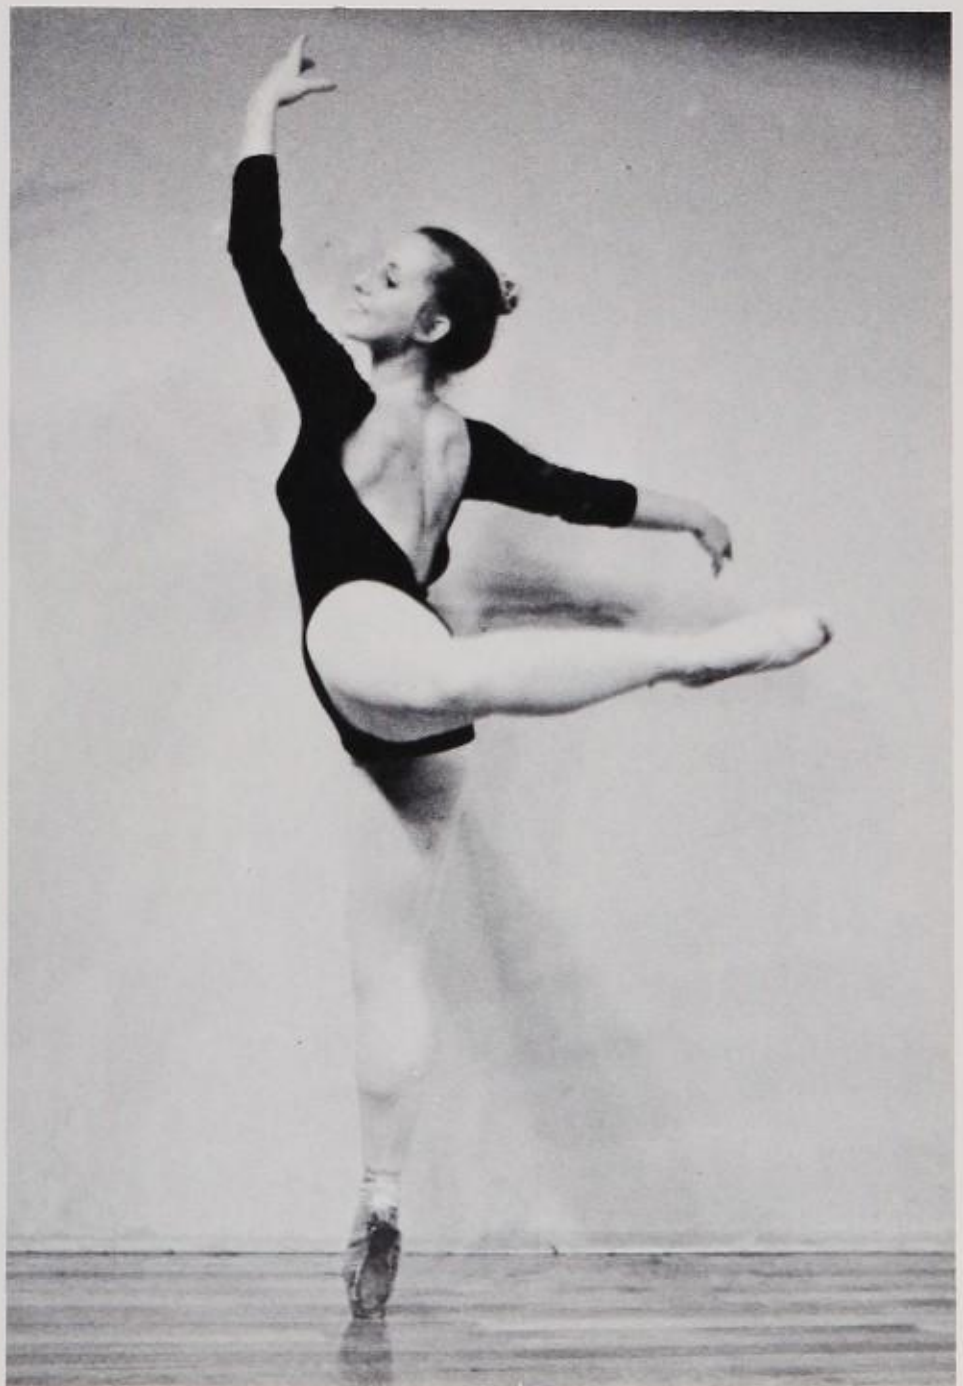

Our past has proven  
 How vulnerable  
 We are as one.  
 But,  
 In each other  
 We had a precious love  
 Only we can share  
 We made our past  
 A step towards our now  
 We can look behind  
 A tear may fall, a smile flash.

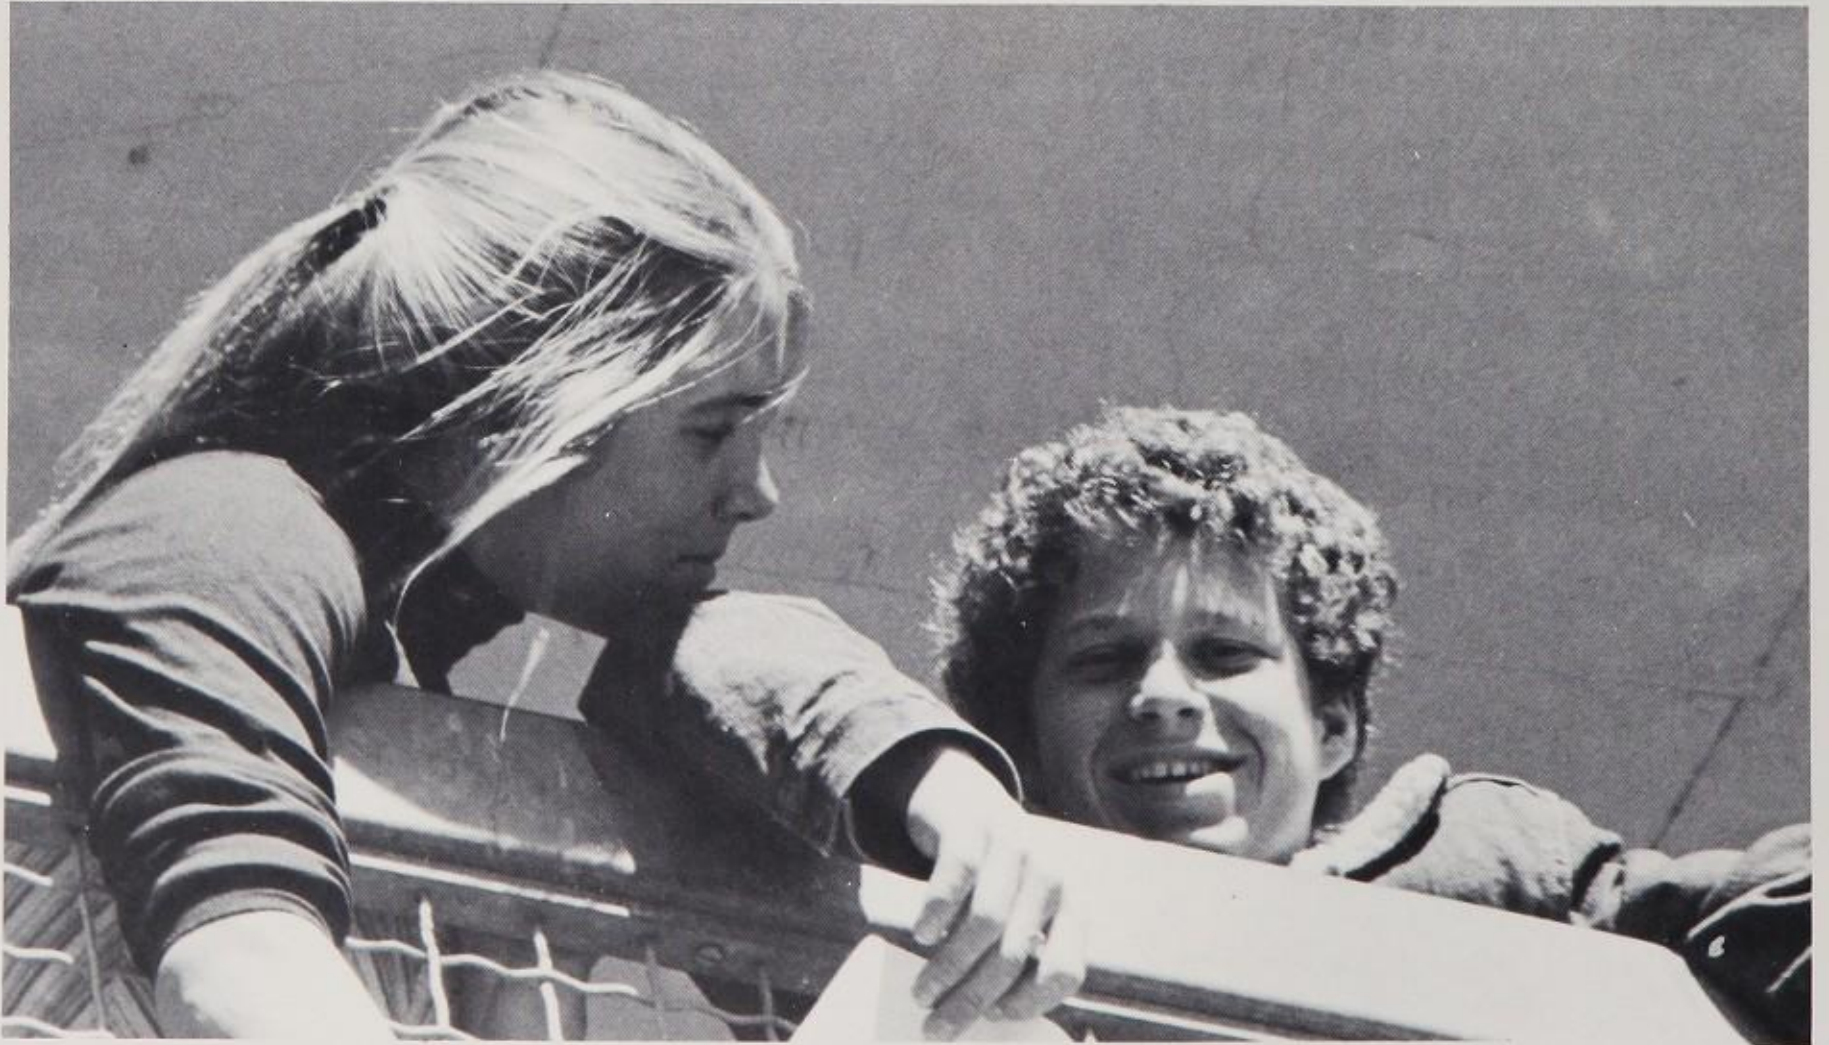

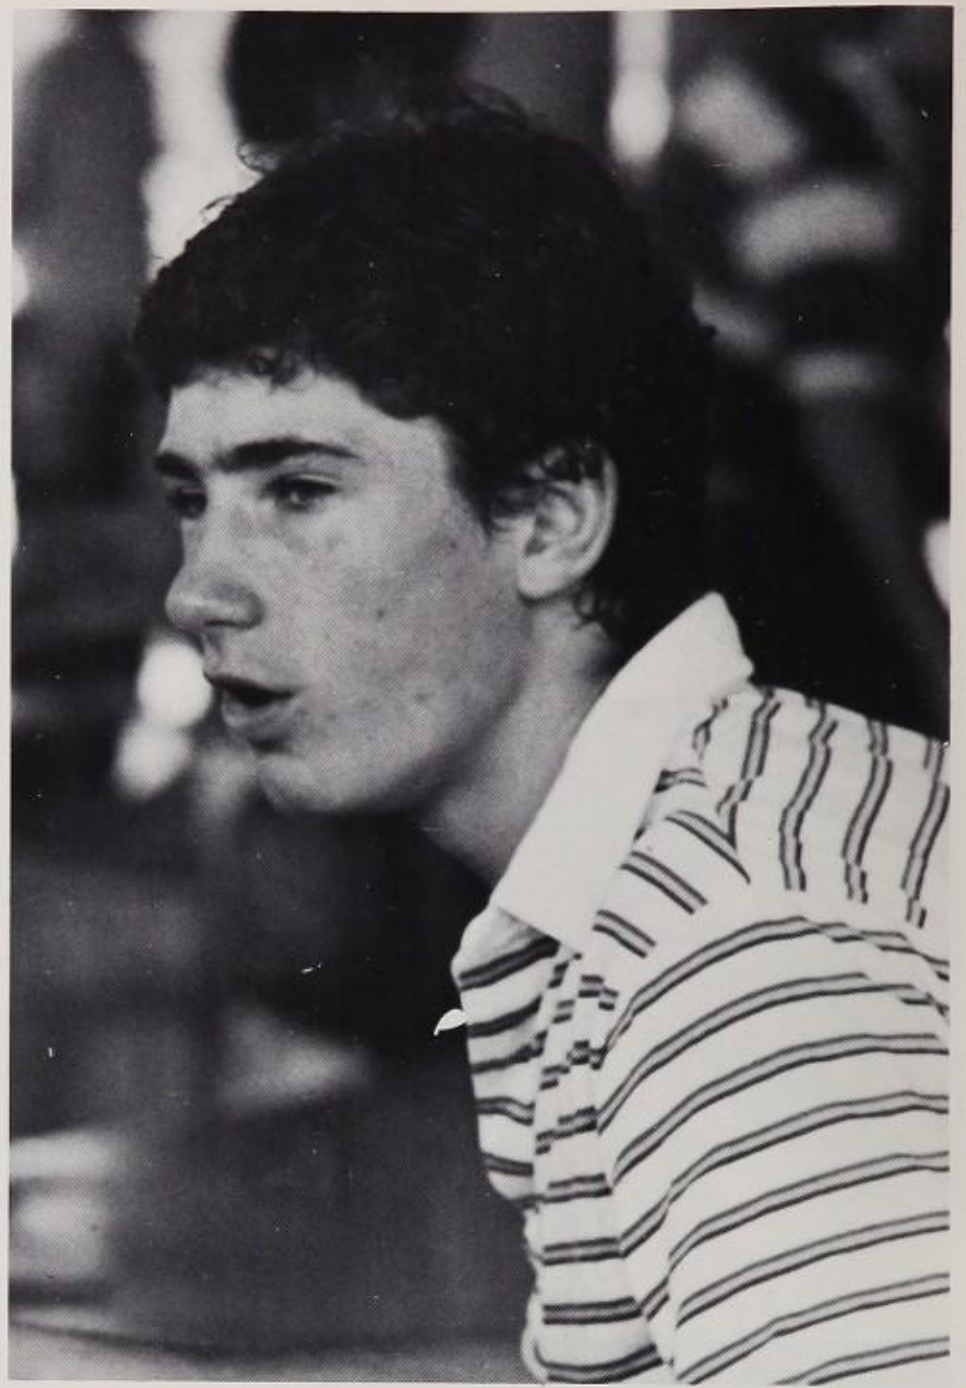

Our mistakes,  
 Our successes  
 Have made us gain  
 We share a strength more binding.  
 Showing us  
 We have  
 each other.  
 This love  
 Will last . . .  
 Until forever  
 Which will never be . . .

## CHAMPAGNE KIDS

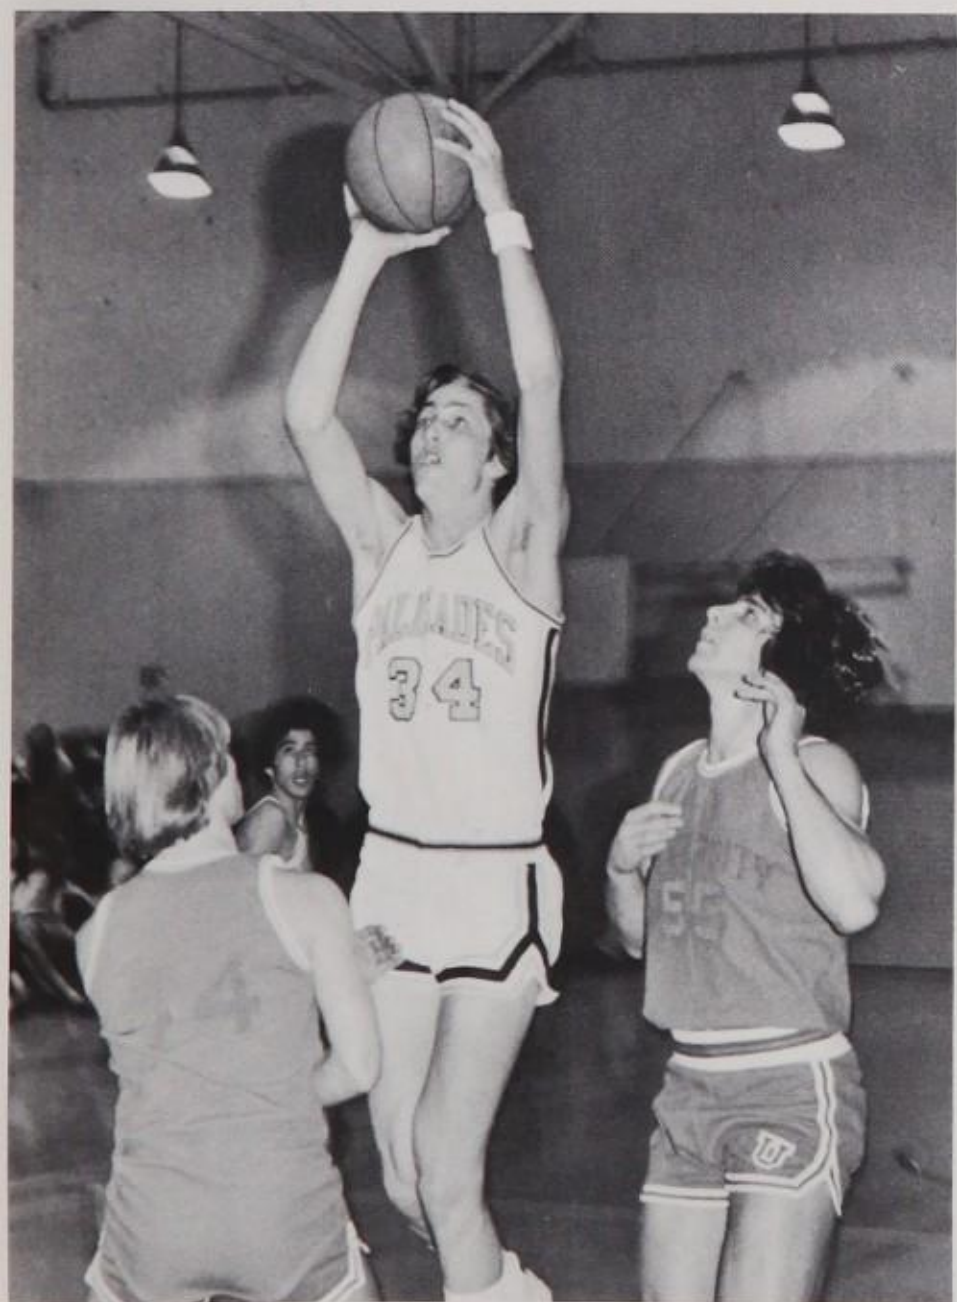

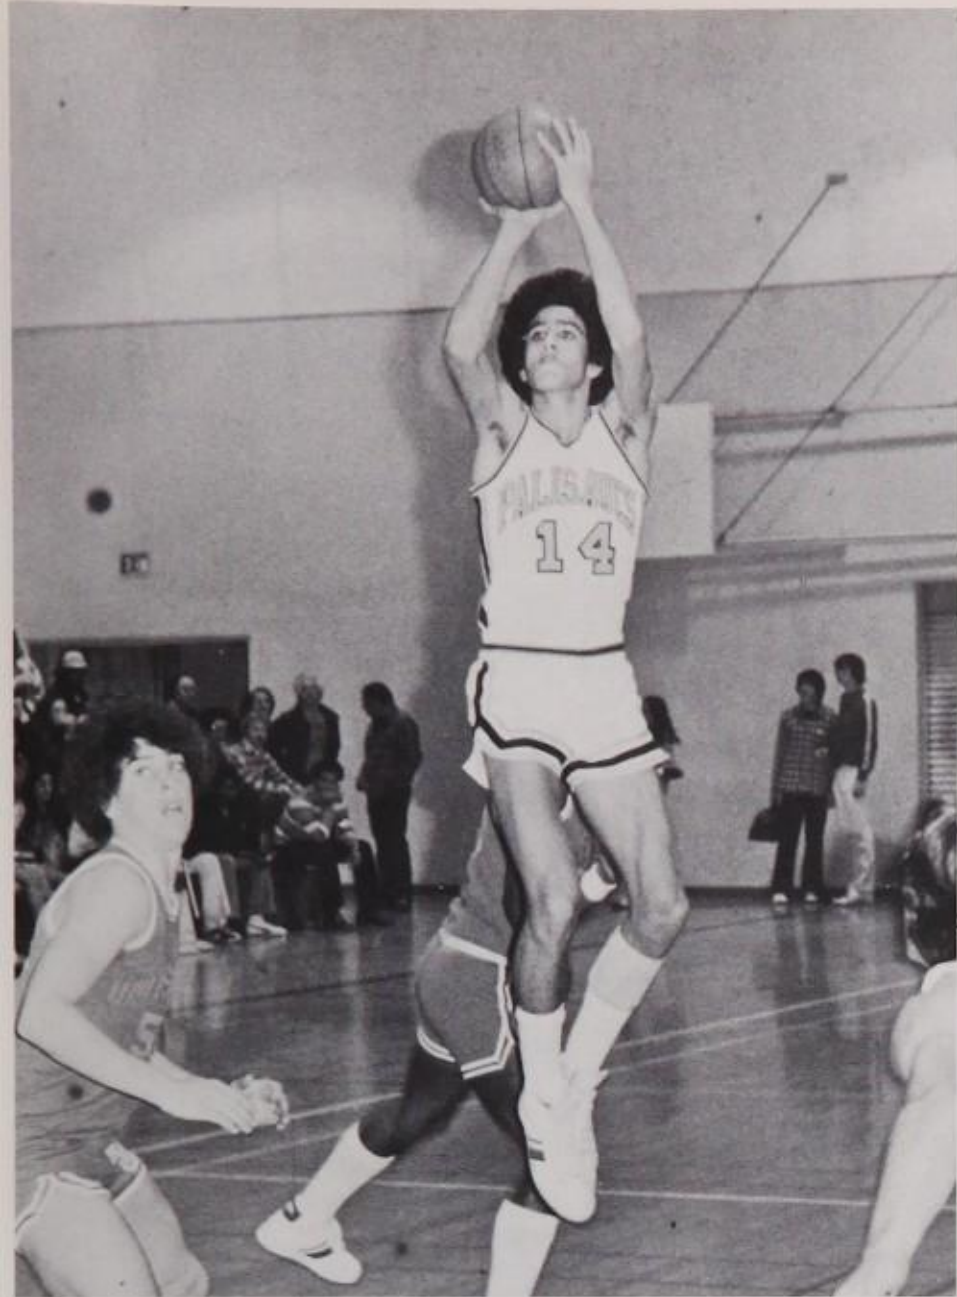

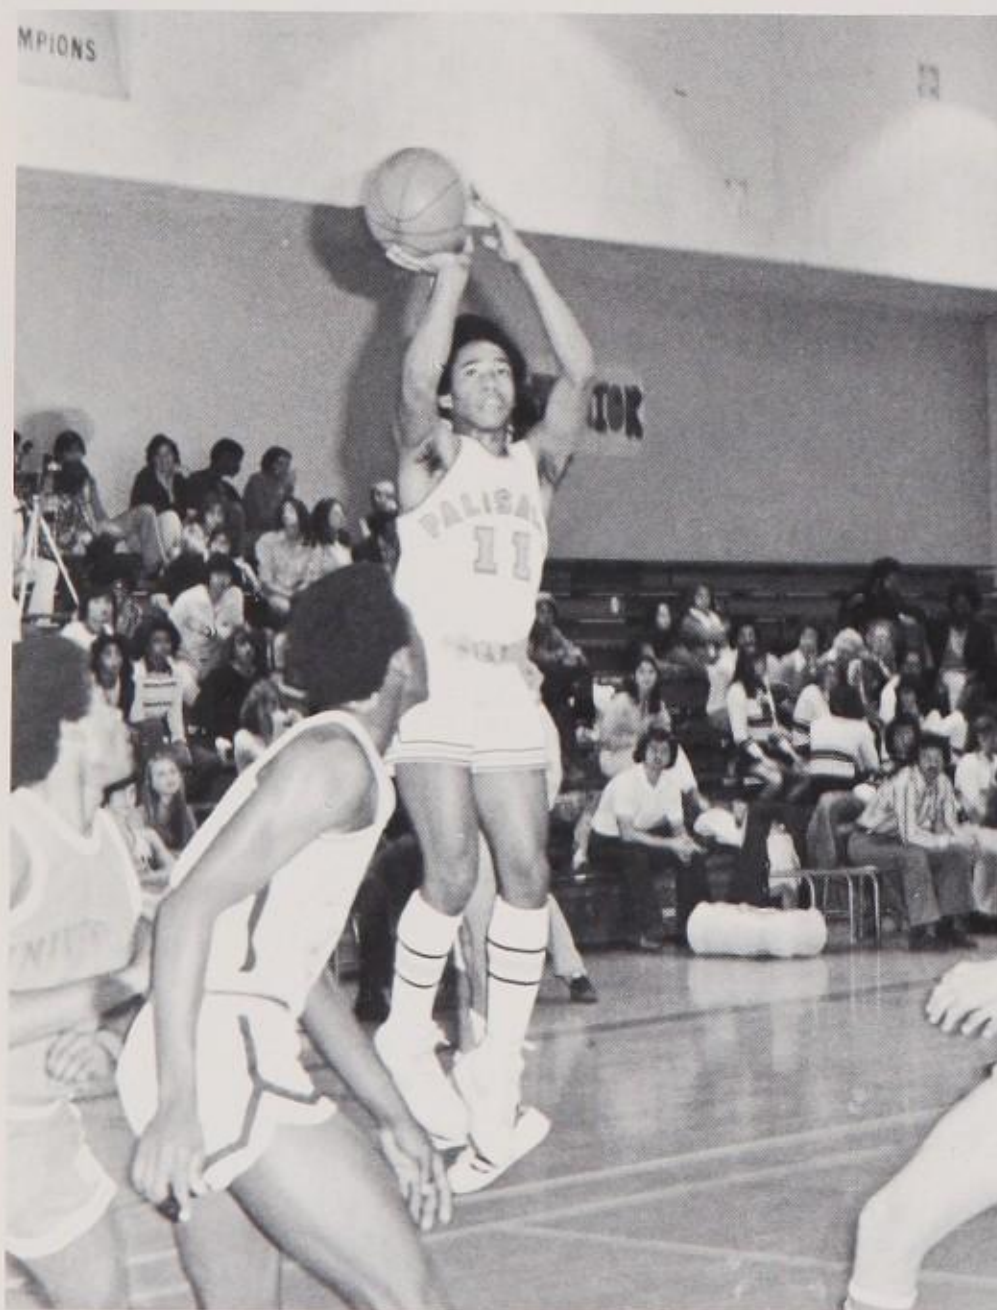

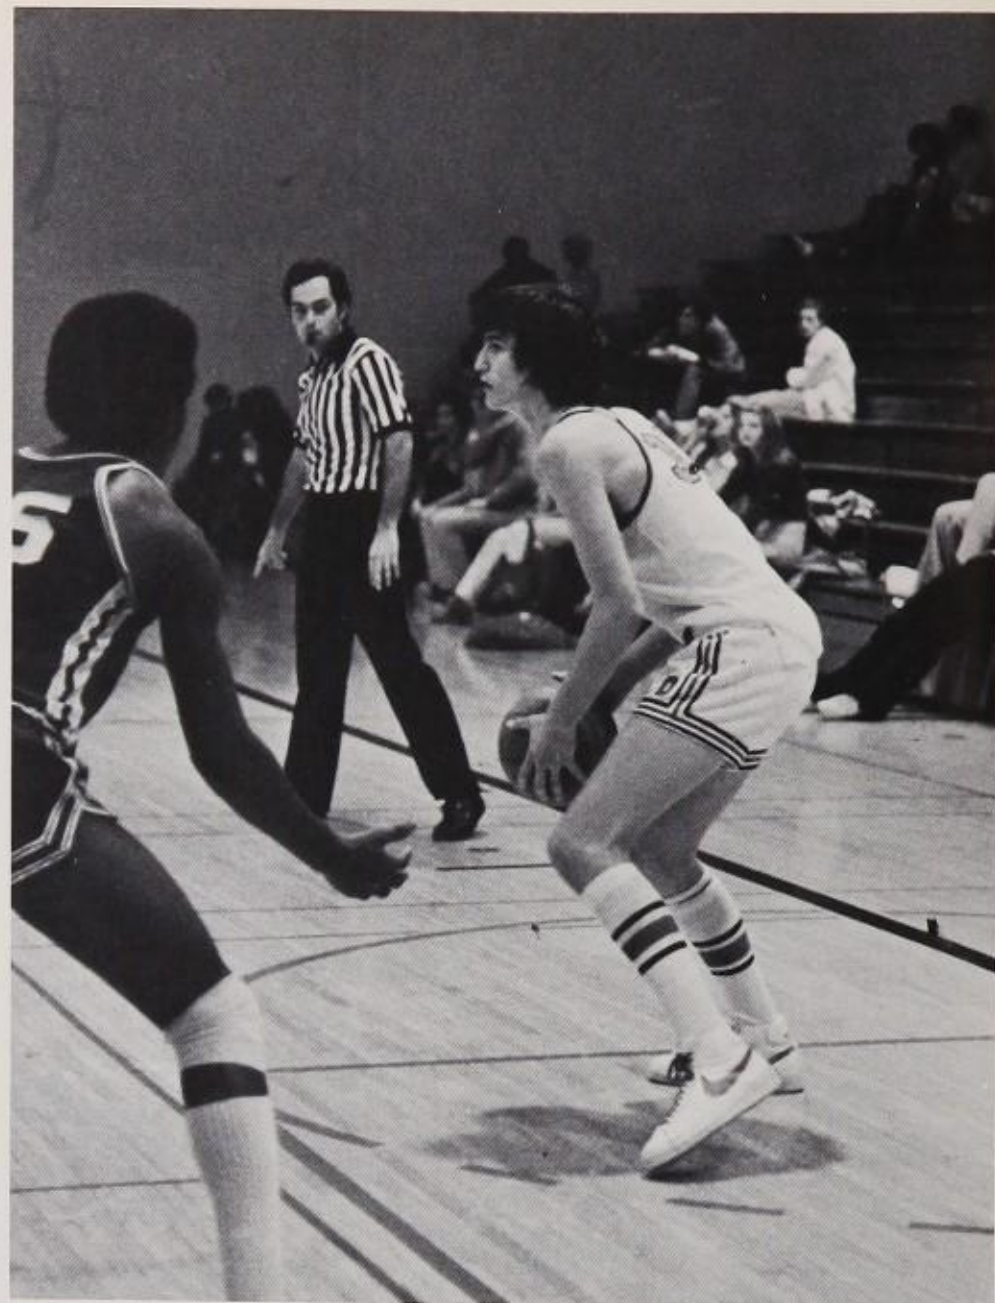

## JUNIOR VARSITY BASKETBALL

Finishing the year with a sub-par record in Western League play, Coach Will Wadill's junior varsity showed a ray of sunshine through the dark clouds which covered their season.

Usually outmanned, the Dolphins played most everyone tough. As a matter of fact Pali did defeat rival Uni rather handily, which was the high point of their league campaign.

Junior Darryl Taylor was the only Dolphin in double figures, as he lead the team in scoring with 11 points per outing.

Backcourt mates Kenny Bibbins and Ricky Branch both had exceptional years and promise to greatly help the varsity next season.

Bob Brown, Marcus Byrd, Jeff Swartz all contributed heavily. All are juniors and figure to be heard from next year.

# BEES

**BEE Squad:** Ed Albala, Lee Berinstein, Josh Gordon, Allen Futch, Tony Beckwith, Coach Rosvall, Tony Clark, Adam Berger, Kevin Carter, Terrence Morris, Rich Dolak.

## Team results

After a 5-5 pre-season, the Dolphins entered Western League action with a bang, by posting victories in 3 of their first 4 outings. However they were unable to sustain their early league momentum and duplicated their pre-league work.

Captain Ed Albana was a deadly shooter at times, but the coming of sophomore center Tony Clark was the key to Pali's success. Clark's shooting, along with the help on the boards by way of Terrence Morris gave the Dolphins a very respectable front line.

Tony Beckwith and Lee Berinstein handled most of the backcourt duties while Kevin Carter, Alan Futch, and Rich Dolak all contributed heavily to the Dolphin cause.

# CEES

**CEE Squad:** Lance Goosby, Mark West, William Allen, Brandon Patrick, Scott Muud, Anthony Brewster, Geoff Plowden, Coach of the Year Jon Berger, Eugene Kirkland, Dwight Heard, Rod Florence, Darryl Jones, Kevin Golden, Gary Katz.

## Team results

After finishing the first of Western League play with a 1-4 record, the Dolphins began to move — and fast. Surprising everyone, Pali defeated four of its next five opponents, with its only loss coming by a mere two points.

As a matter of fact, the "little Dolphins" were defeated by a single point on three occasions, only to bounce back and play excellent basketball.

Made up primarily of sophomores, with the exception of junior co-captains Anthony Brewster and Eugene Kirkland, the "C"'s demonstrated they could play with the best, as they often went up against teams dominated by juniors and seniors.

Brandon Patrick lead the scoring parade with 16 points per outing, while William Allen, Lance Goosby, Darryl Jones, and Mark West all performed superbly.

# GIRLS' BASKETBALL

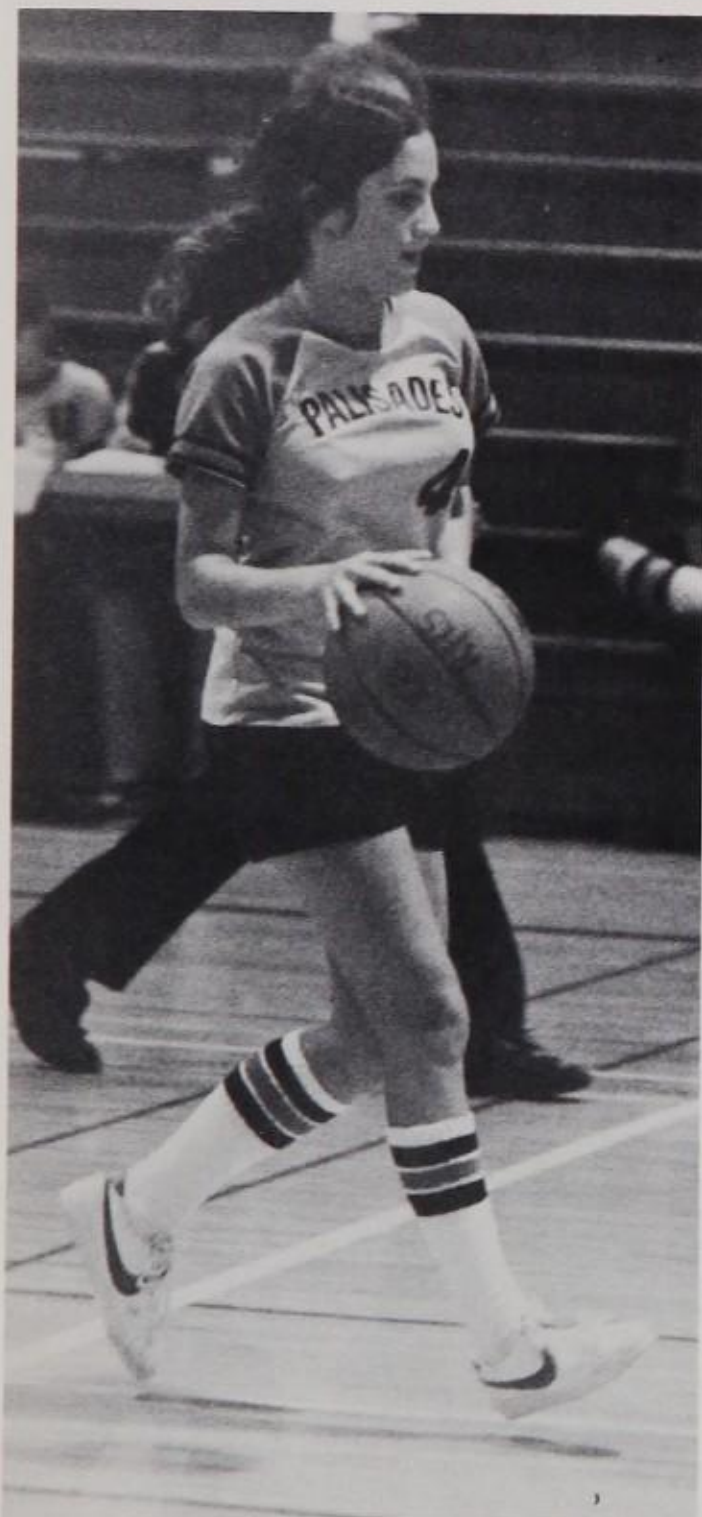

**Varsity:** Cherise Allen, Karen Berg, Genevieve Coleman, Lynne Fiedler, Jan Goldfarb, Gabrielle Graves, Lisa Katzman, Andrea Lawrence, Lytrichia Porchia, Coach Schoenberg, Managers: Pam Clay, Jannice Kennon.

**JV:** Thyer Bell, Jeannie Buss, Karen Ghaffari, Gina Lugo, Gabbi Mayeur, Jerri Price, Lannetta Price, Tina Smith, Cathy Tomlin, Shiela Mack, Chris Mack.

The 1978 season marked the first time Palisades placed a player on the ALL WESTERN LEAGUE team. Gabrielle Graves who averaged 20.9 points per game was awarded this honor. The Varsity captain was Kelly Rimer, with Jeannie Buss heading the JV's. Palisades will miss their top outside shooter Lisa Katzman, most inspirational player Jan Goldfarb, and strong rebound and offensive player Lytrichia Porchia. Representing the JV's on the ALL WESTERN LEAGUE team will be Shiela Mack for her outstanding skills on the JV team.

To the Fifth City Women's Champions, It's been great!

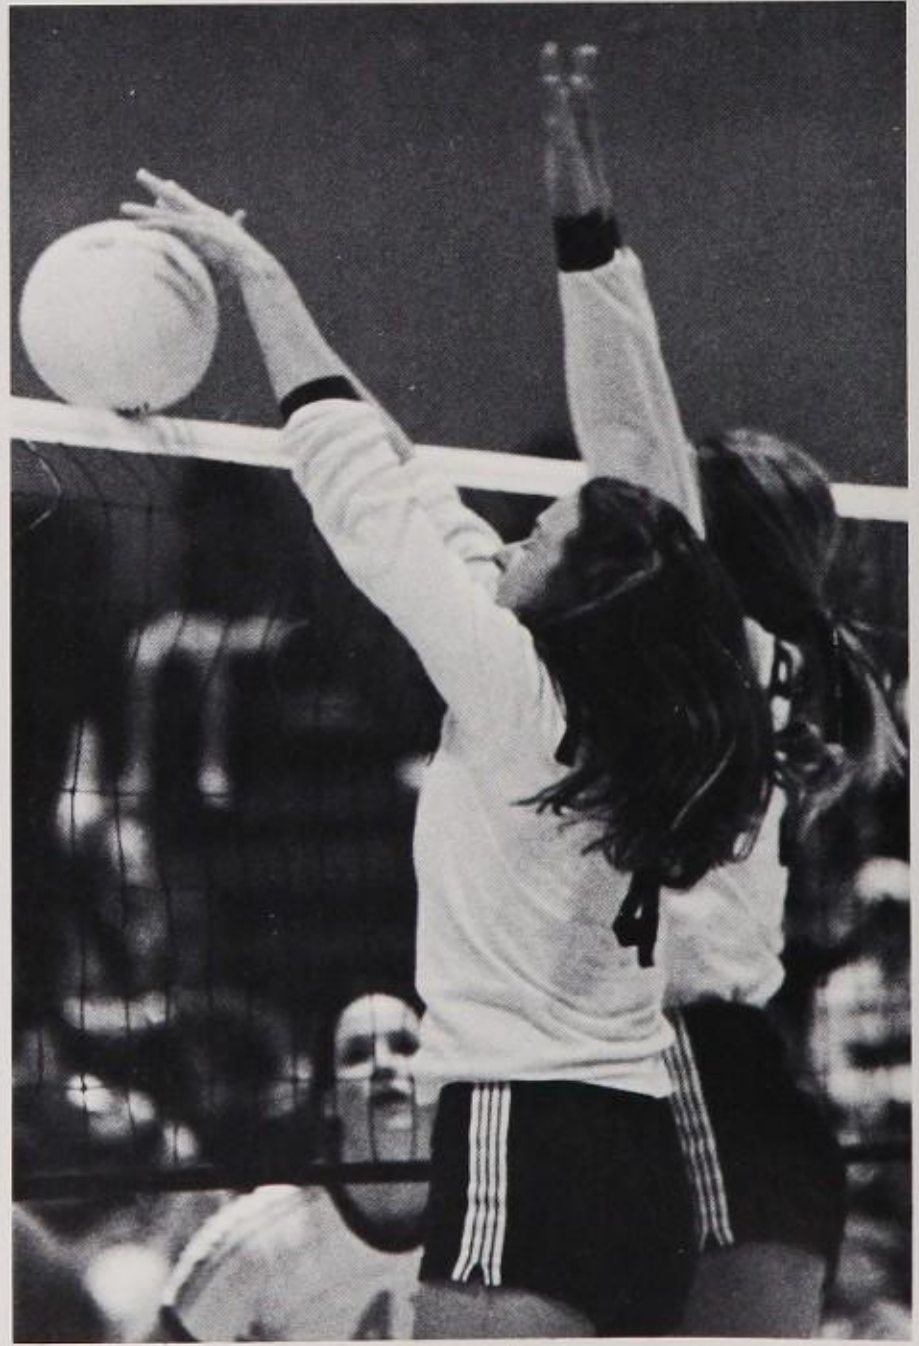

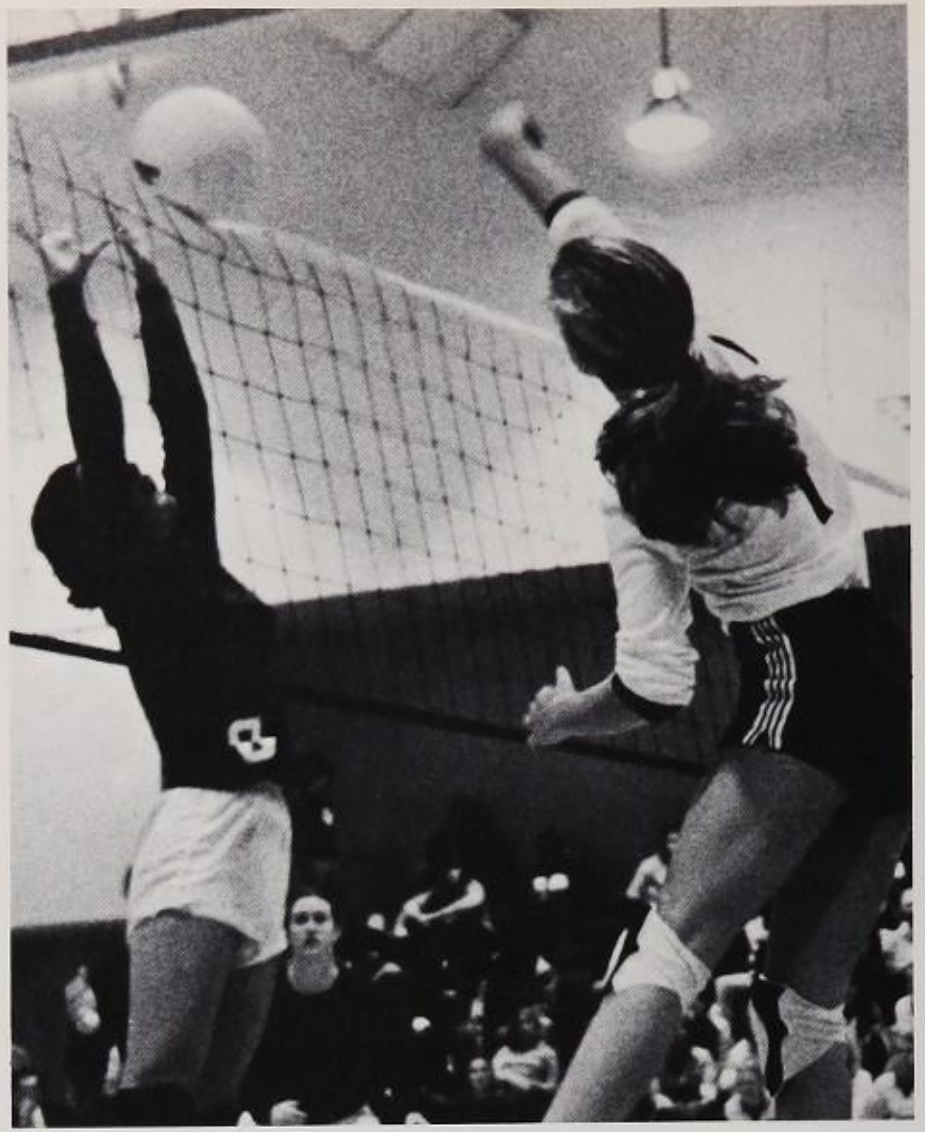

This team has been said to be one of the best with the balance of talent and togetherness between the nine varsity members. We had excellent times . . . participating in the first state championship, taking league and our fifth city crown. And who can forget those shredding pep talks, popping corks, and the strange down-pour in the locker room after city finals? Thanks for making our last year the best!!!

Good luck next year to all — "Figalow" Fogel, "Pinner" Bearer, "Finger" Schwartz, "Du-du" Schwartz, "Wilma" Spring, "Dickey" Shea, and "Mush" Whitmore. WE love ya!!!

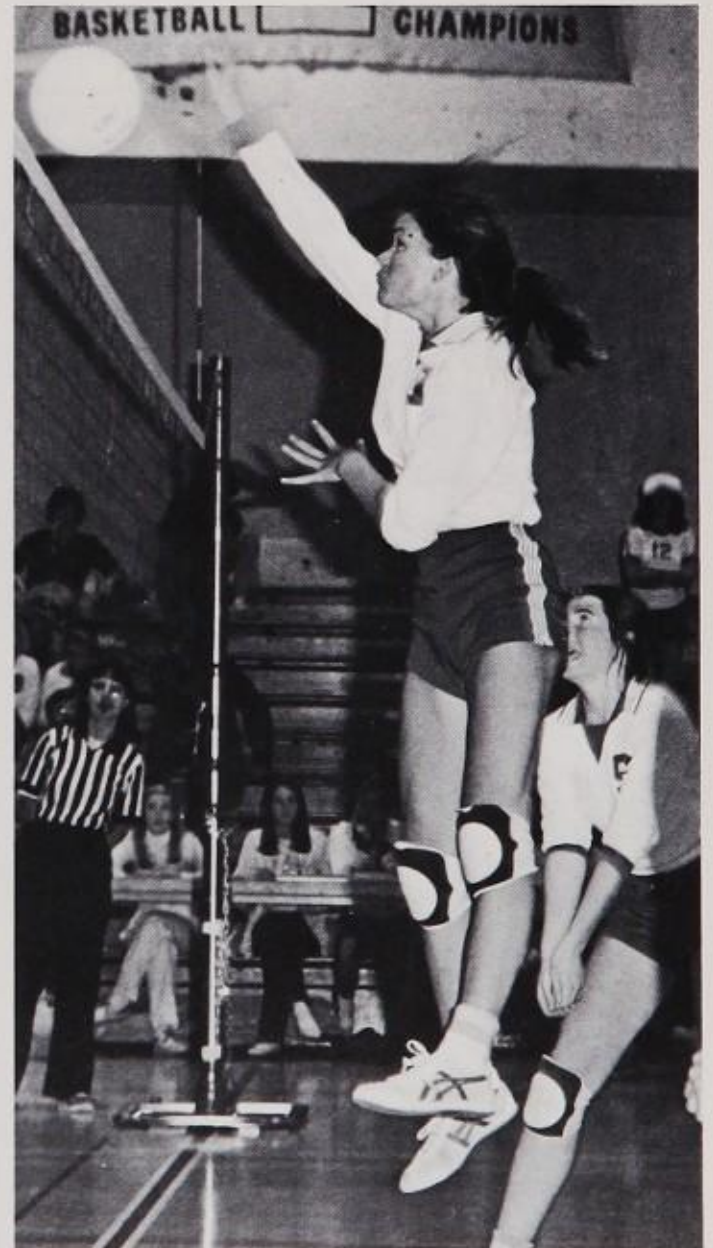

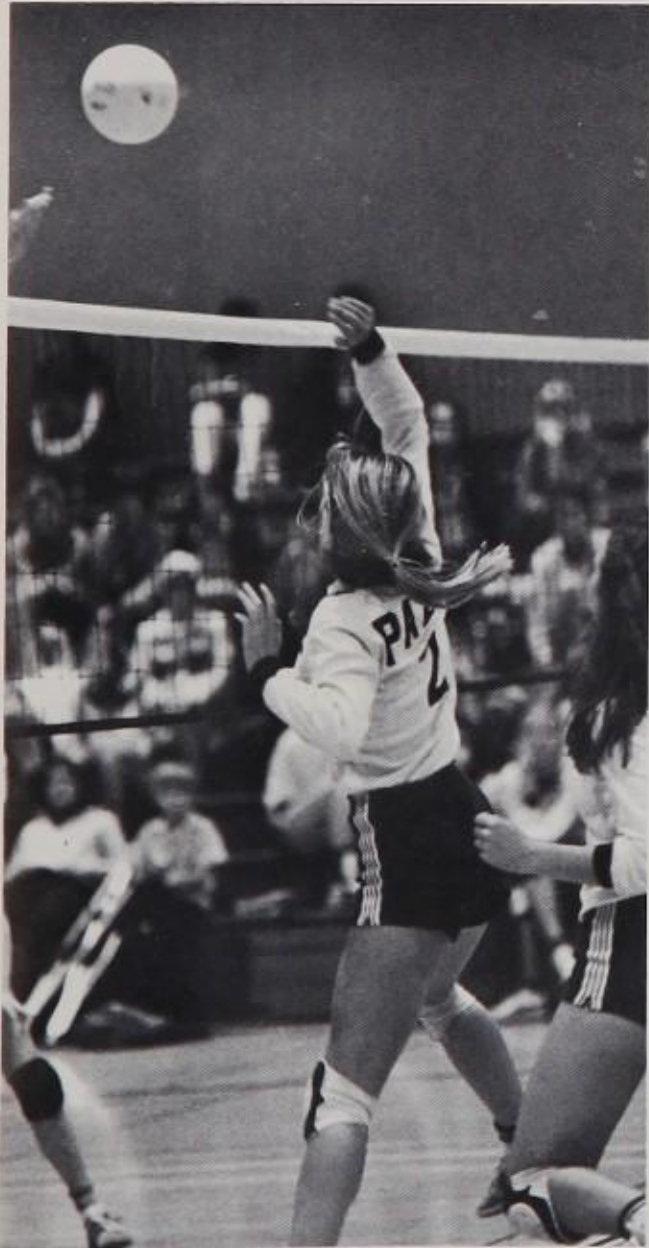

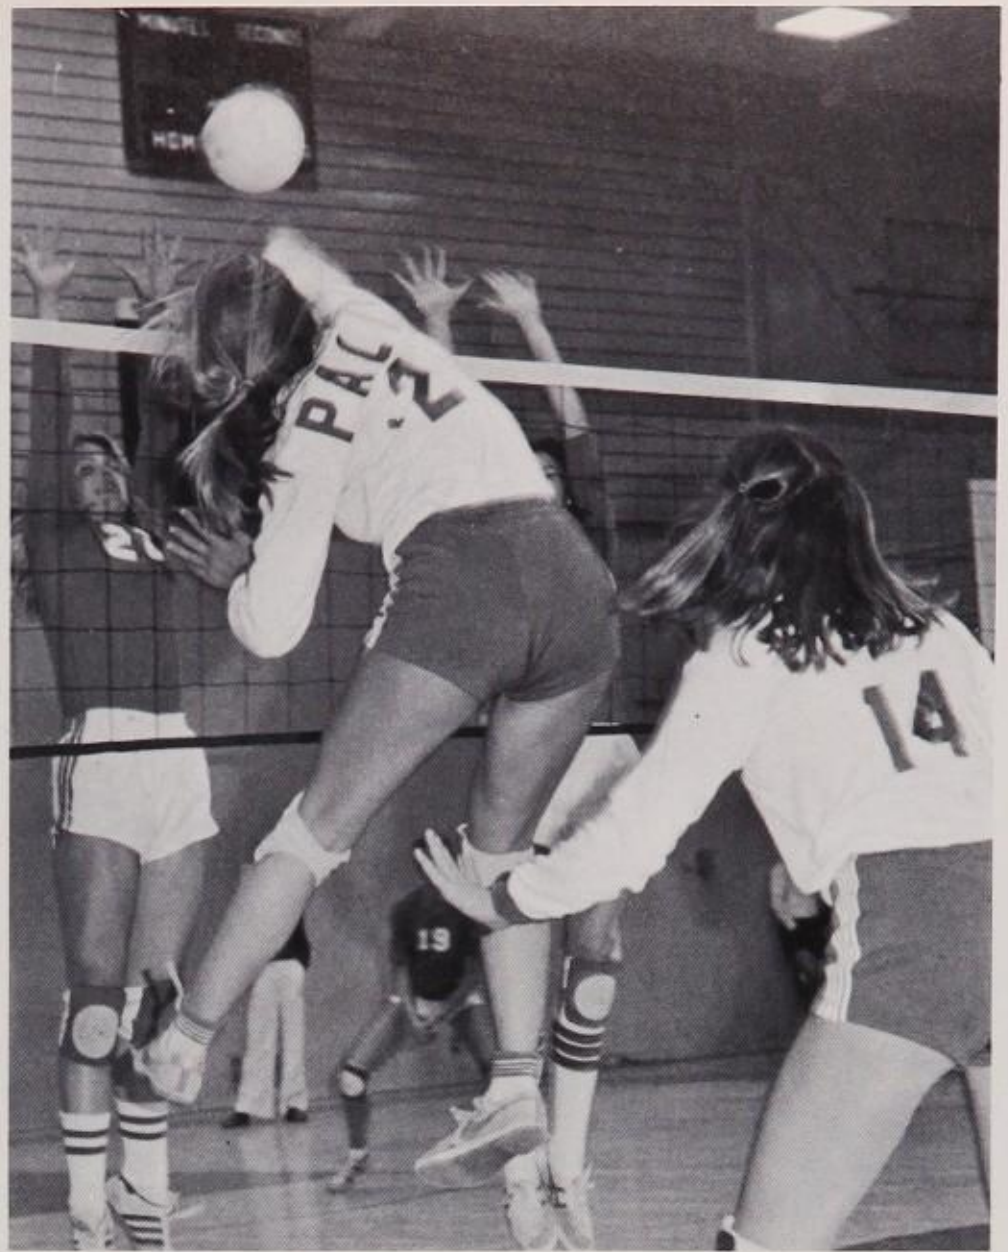

Captains "Little number 7" Hamilton and "Famous Amos Bugamous" Bugay.

P.S. Meter, what can we say? You're the GNARLIEST, we'll miss ya!!!

## DEADLINES

(to the tune of "Feelings")

Deadlines —  
Nothing worse than deadlines  
Trying to forget those  
Deadlines of mine.

Yearbook —  
Pages should be turned in  
You know we should have done them  
A long time ago

Deadlines —  
Whoa whoa whoa  
Deadlines  
Whoa whoa whoa  
Deadlines  
Again on my back

Ulcers —  
Deadlines give me ulcers  
'Cause once you've met one deadline  
There's another ahead

Finished —  
The book is almost finished  
But the pressure won't diminish  
Till the whole *Surf* is done

Deadlines —  
Bring last minute havoc  
Like a blank half-page block  
That needs to be filled

Deadlines —  
Whoa whoa whoa  
Deadlines  
Whoa whoa whoa  
Deadlines  
Always on my back . . .

(repeat chorus and fade)

Thanks to everyone who helped us make our deadlines . . .

(and special thanks to Ellen for making it possible for me to realize my dream of getting a poem in the yearbook — Wesla)
